FROM THE MUSIC STUDIO CONDUCTED BY ALBERT GERARD-THIERS.

A Department of Questions and Answers through which music lovers and A Department of Questions and Answers through which music lovers and students of music may be brought in contact with one of the foremost teachers of the country. Anyone interested in music either vocal or instrumental, may submit questions to Mr. Gerard-Thiers. The only requirements are that they be concless and to the point, written in good faith and signed by the sender. They will be answered through this department only, as promptly as possible and in the order received, the editors reserving the right to select such as they deem of sufficient importance. All letters should be addressed to Mr. Albert Gerard-Thiers, in care of The Stark County Democrat.

studying for the stage last winter she met you and heard you sing the or two on your interpretation, as she seemed to think it unusual. J. B. D. Beauty of Voice and Mouth Through am very fond of singing this song, as in my estimation the verdict of a million people that it is a good song, is justified by musical analysis. Many reminiscent, some going still further and saying that it is stolen. That the opening bars are somewhat reminiscent of Von Fielitis's "Elihand" might to a very small extent be true, but if we were to turn down Ethelbert Nevin, one of the most delightful of the American composers and song writers, because his componers and song writers, because his music reminds us vaguely of some other music we have heard, we would then have to bury deep, deep, deep, many of our greatest immortal masters. Mozart our greatest immortal masters. Mozart beforeowed from Haydn, Beethoven from Mozart, and Richard Wagner, one of the out three things will be the result, ac-Mozart, and Richard Wagner, one of the most colessal of all the intellectual giants, wrote very little original melody, as he borrowed largely from the an-tique Italian. But, to return to the subject in hand, let us find that atmosphere by a close analysis of the text: "The hours I spent with thee, dear heart Are as a string of pearls to me;

The man who could liken the hours spent with the woman he loved, one who had passed on into the far beyond, to a string of rosary beads, one of the sweet-est and holiest emblems of his religion: "Each hour a pearl, each pearl a prayer, To still a heart in absence wrung; I tell each bead unto the end.

And there a cross is hung." -Surely could have nothing impure in It appeals to his heart with an affect with a drop for the lower note, the up-to he the finish of the piece. Handel, per note, to make the complete cross, much to the delight of the audience. being found in the accompaniment No-cried out, "At last! tice too that the beads represented by home, Mr. Dubourg."

PARTED FOR SOME UNKNOWN REASON, WIFE REMARRIED, THINKING FIRST HUSBAND HAD DIED.

Wilkesbarre, Pa., July 12 .- A strange story of devotion between man and wife has just been brought to notice here through the unexpected return of

Twenty years ago, for some unknown reason, he disappeared from Wilkesbarre, going to Bloomsburg, Ill., where his wife lost all trace of him. Among new acquaintances he settled down, forgot about his family and ived a life of ease and mystery, never

telling his past to any person, no matter how closely identified they might be with him. Thinking that he had either died or emarried in Johnstown, Pa., Mrs. Taggart remarried and for a time lived happily with her husband. A short time ago he took to drinking, and the

While she was seriously considering ent. Today Rev. Taggart, hearing of her trouble, returned to her, his mind

All was soon forgotten, and Mrs. Taggart will now get a divorce from her drunken husband and marry her first love again, returning with him to another state, where they can live without being too intimately known. There they will begin life over

RINGS ENGAGEMENT WHILE GROOMING HORSES AND MANAGING CANTEEN.

Lordon, July 12.-The most remarkable military camp in the world has

It was a camp where no single swear word was heard from dawn till dusk where every trooper wore a skirt and a diamond engagement ring. A detachment of the Nursing Yeo-

manry pitched their tents there, and, with their ambulance wagon, their forres and their stretchers, were hard at work from reville to lights out rescuing and patching up imaginary wounded men. "NO TALKING ALLOWED."

They were all daring horsewomen, and in the pouring rain, without great conts, they rode and wheeled and exercised under orders with more enthusiasm if less precision than a regiment of Blues or Lancers.

They were, in fact, far more at ome with their horses than were heir horses with them, for side saddles and flapping skirts were novel-ties that animals fresh from Salisbury Plain did not understand.

A large notice in the camp informed nembers of the corps that "No talking is allowed in the tents after lights

TOPLESS TUBERS

MAN WHO RAISES QUEER POTA-TOES IS ENVIED BY NEIGH-BORS WHO FIGHT BUGS.

Salem, O., July 12 .- Potatoes without tops are being raised by John Groves, of this city, in a small patch of ground and the fine, large "spuds' are being examined with curiosity and interest by hundreds of citizens and farmers, who have seen a number of them on exhibition.

The patch of potatoes was planted by the owner about a month ago after many experiments, and now the bulbs have grown to the size of large hen's eggs, without showing the sign of a sprout, but are clean and white and growing rapidly. Samples will be sent to the state

experimental station at Wooster by the grower, who is the envy of his neighbors, who come from their po-tate-bug slaughter to gaze in wonder at the topless crop of tubers.
